

Hello,

I am a [XXXX year] graduate of [XXXXX school], and I am reaching out on behalf of [Gowns4Good](#), a group working to coordinate the donation of graduation gowns to healthcare providers who are on the front lines of the COVID-19 pandemic.

Medical facilities worldwide are lacking personal protective equipment (PPE) and are using anything they can to protect themselves. Even makeshift trash bag gowns and masks cut from bed sheets are being used. Graduation gowns are more effective than alternatives given their length, sleeves, and easy donning with zippered access. Efforts are being made to increase PPE production, but the demand is increasing too quickly.

Graduation plans are being altered across the world, and we are hoping to create a positive impact during this unfortunate situation. In lieu of using the school's supply of graduation gowns for a commencement this year, **I would like to ask [XXXXX school] to consider donating these graduation gowns to healthcare workers on the front lines of the COVID-19 crisis.**

**To donate gowns, please go to [gowns4good.net/donate-gowns](https://gowns4good.net/donate-gowns).** You can also support Gowns4Good efforts by making a donation to offset shipping costs at [gofundme.com/f/gowns4good](https://gofundme.com/f/gowns4good). If you are still planning a remote/virtual celebration, there are instructions for students if they would like to affix the Gowns4Good logo onto the mortarboard of their graduation caps, signifying all of their generous efforts. (See picture.)

For any questions, please don't hesitate to contact Gowns4Good directly at [Gowns4Good@gmail.com](mailto:Gowns4Good@gmail.com).

Thank you for supporting our healthcare heroes!

Stay home, stay healthy, and stay strong!

Best,

[Your name]
